3. Includes One-time adjustment for Health Benefits Return					
Supportion for Fourth Bollond Fourth					

FY2022 - Expenditures Highlights

- Department expenditures may be impacted by the following:
 - Public Safety and Homeland Security events
 - Higher competition for experienced CDL drivers in the transportation sector
 - Continued demands for services based on population growth.
 - Overtime, Vacancies, Temporary Services
 - Route and equipment "rightsizing" to properly meet core needs
 - Budget has remained flat, except for Pension, Health Benefits & Restricted Accounts adjustments.

Budget History

Appendix

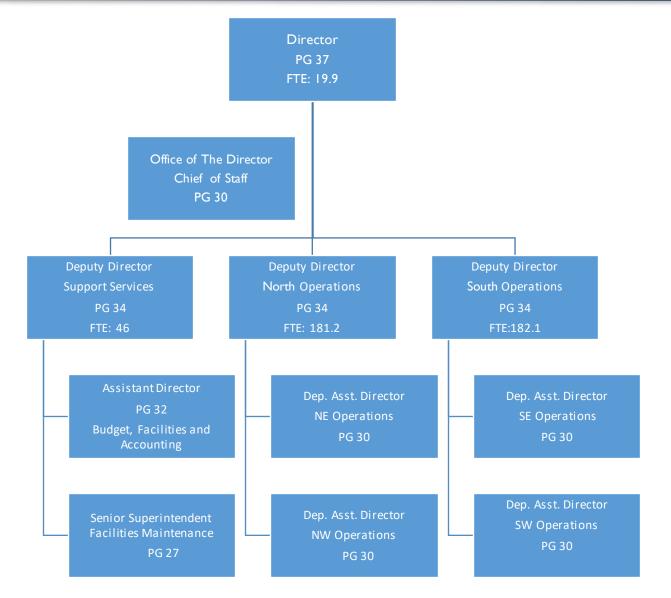

GL Description	Justification & Cost Drivers
·	Fuel Program operates and manages all City owned fuel sites.
Fuel	Expense explanation - Fuel services are driven primarily by market pricing
	Costs include Microsoft Enterprise licenses, 3-1-1 maintenance support and
	applications, SAP licenses maintenance and support, various Enterprise Application
	and Server support personnel, CSMART (MCD Only), eSignature, Project
	Management, Infor, eDiscovery, Cyber Security Office software and support, HITS
Application Services	Budget support via the Finance Department, eSignature
Insurance Fees	Cost increase for property insurance premium.
modification (CCS)	Responsible for administering the electricity accounts for the City. Program is
	responsible for overseeing procurement contracts, forecasting, providing price
	certainty, and financial reporting. Electricity expenses are projected to be lower than
Electricity	the previous year as a function of the competitive bidding process.
Liectricity	Responsible for administering the natural gas accounts for the City. Program is
	responsible for overseeing procurement contracts, forecasting, providing price
	certainty, and financial reporting. Natural gas expenses are projected to be lower
	, , , , , , , , , , , , , , , , , , , ,
Natural Car	than the previous year due to current market conditions and locking in a rate
Natural Gas	favorable to the City.
	Costs associated with software and maintenance support contracts required to
	maintain city networks, applications, desktop devices, servers, payment card
	industry security, storage devices, cloud services, telephone systems and network
	equipment including Phonoscope circuits. Contracts cover Antivirus, Firewall and
	Network backup systems. Also, the Data Center costs are included in the Data
Data Services	Services restricted account.
	Monthly costs for Voice/Communication Services. The services include: Local
	landlines, voice/data circuits, long distance, 1-800 numbers, calling cards, language
	lines, Citywide ISP/Internet Access. The major vendors are ATT, Department of
Voice Services	Information Resources (DIR), Verizon and Century Link.
	Labor costs and parts needed to perform work associated with installation and/or
Voice Labor	upgrades of telephone systems and cabling. The sole vendor is Selrico.
	Personnel, software licenses and maintenance costs associated with the city of
GIS Revolving Fund Services	Houston's Enterprise Geographic Information System (EGIS)
	Monthly charges for Verizon Business services and mobile devices including cell
Voice Services - Wireless	phones, air cards and tablets.
